REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: All the claims are allowable over the prior art of record because prior art fail to teach or fairly suggest 1) a method of operating a wireless control system, a software product, and a wireless control system as claimed, with the features of processing the received termination message to determine an amount of time for a second access to the one of the channels for the one of the wireless communication device, and generating and transmitting a second control message that allows the second access and indicates the amount of time; and 2) a method of operating a wireless control system, a software product, and a wireless control system as claimed, with the features of processing the received termination message to determine an order of the wireless communication devices, and modifying the queue based on the order.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Min Jung whose telephone number is 571-272-3127. The examiner can normally be reached on Monday, Thursday, Friday 7:30 - 6:00.
